

2023 European Innovation Week 歐盟創新週

29 May-2 Jun.

Seminars , B2B and Cluster Matchmaking, InnoVEX Startups Networking

【 About European Innovation Week 】

European Innovation Week (EIW) is a joint initiative of the European Commission, the Bureau of Foreign Trade of Taiwan (BOFT), and the consortium members of the Enterprise Europe Network Taiwan (EEN Taiwan). The event will feature a series of seminars, as well as clusters networking and company site visits. On 31 May, there will be B2B, B2C and C2C (C for cluster) matchmaking event, bringing Taiwanese and European SMEs/ enterprises, clusters and institutes together to facilitate business cooperation, technology-sharing, and innovation collaboration.
