# About Our Company

ASC

ACS Textiles and Garments, a leading name in the textile industry, has a rich heritage of textile and garment production. Our roots go back to Elshimy, our parent company, which has been specializing in the manufacturing and trading of uniforms for the police, army, and navy for over three decades. With this strong foundation, ACS is committed to providing unparalleled services to the business sector, particularly in the fashion industry.

At ACS, we offer a safe haven for fashion designers to manufacture their garments hassle-free. We take pride in delivering high-quality products that adhere to international standards, ensuring that our clients receive nothing but the best. Our state-of-the-art facilities are equipped to handle any project, regardless of its size or complexity.

We have also collaborated with sports clubs to manufacture custom sportswear for their teams, ranging from t-shirts, shorts, hoodies, and pants that are tailored to their specific needs. Our dedicated team of professionals works closely with clients to create garments that not only meet their requirements but also exceed their expectations.

At ACS Textiles and Garments, we are driven by our passion for excellence, innovation, and customer satisfaction. Our goal is to continue expanding our services, ensuring that we remain at the forefront of the textile and garment industry while building long-lasting relationships with our clients.
