Turin (IT)

TORINO
FASHION
WEEK

#TFW is an international, independent and innovative event aimed at **emerging brands, young designers and small and medium-sized fashion businesses**.

Its international vocation and, at the same time, the attention to local and national talents is confirmed by the ability to attract companies, brands and stylists from **all over the world** thanks to the collaboration with local and foreign authorities to offer stylists a strategic showcase internationally.

In ten years, TFW has become the cradle of a *style revolution*, a place where **ambition meets opportunity**, where every brand, designer and manufacturing company has been able to expand its horizon, **achieving international visibility and forging commercial agreements** that they rewrote the rules of the game.

**TFW is more than a fashion week;
it is a celebration of art, culture and innovation.
It is an invitation to participate in an adventure that defines the
future of design, not only in Italy, but throughout the world.**
